

VISITOR'S ACKNOWLEDGEMENT OF RISKS

In consideration of the services of Jackson Stables, Inc. their officers, agents, employees, and stockholders, and all other persons or entities associated with those businesses (hereinafter collectively referred to as "Jackson Stables, Inc.") I agree as follows:

Although Jackson Stables, Inc. has taken reasonable steps to provide me with appropriate equipment and skilled guides so I can enjoy an activity for which I may not be skilled, Jackson Stables, Inc. has informed me this activity is not without risk. Certain risks are inherent in each activity and cannot be eliminated without destroying the unique character of the activity. These inherent risks are some of the same elements that contribute to the unique character of this activity and can be the cause of loss or damage to my equipment, or accidental injury, illness, or in extreme cases, permanent trauma or death. Jackson Stables, Inc. does not want to frighten me or reduce my enthusiasm for this activity, but believes it is important for me to know in advance what to expect and to be informed of the inherent risks. The following describes some, but not all of those risks.

Horseback riding is classified as a RUGGED ADVENTURE RECREATIONAL SPORT ACTIVITY and there are numerous obvious and non-obvious inherent risks always present in such activity despite all safety precautions. Horses are 2 to 10 times larger, 10-40 times more powerful, and 3 to 4 times faster than a human. If a rider falls from a horse to the ground, it will generally be at a distance from 3 ½ to 5 ½ feet, and the impact may result in injury to the rider. If a horse is frightened or provoked, it may divert from its training and act according to its natural survival instincts which may include, but are not limited to: stopping short; changing directions or speed at will; shifting its weight; bucking, rearing, kicking, biting, or running from danger.

I am aware that horseback riding entails risks of injury or death to any participant. I understand the description of these inherent risks is not complete and that other unknown or unanticipated inherent risks may result in injury or death. I agree to assume and accept full responsibility for the inherent risks identified herein and those inherent risks not specifically identified. My participation in this activity is purely voluntary, no one is forcing me to participate, and I elect to participate in spite of and with full knowledge of the inherent risks.

I acknowledge that engaging in this activity may require a degree of skill and knowledge different than other activities and that I have responsibilities as a participant. I acknowledge that the staff of Jackson Stables Inc. has been available to more fully explain to me that nature and physical demands of this activity and the inherent risks, hazards, and dangers associated with this activity.

I certify that I am fully capable of participating in this activity. Therefore, I assume and accept full responsibility for myself, including all minor children in my care, custody, and control, for bodily injury, death or loss of personal property and expenses as a result of those inherent risks and dangers identified herein and those inherent risks and dangers not specifically identified, and as a result of my negligence in participating in this activity.

I have carefully read, clearly understood and accepted the terms and conditions stated herein and acknowledge that this agreement shall be effective and binding upon myself, my heirs, assigns, personal representative and estate and for all members of my family, including minor children.
