INFORMATION FOR SUMMER EMPLOYMENT

Jackson Stables, Inc. owns and operates the livery stable at the Estes Park Center/YMCA of the Rockies, Estes Park, CO. The Estes Park Center facility is a family vacation and conference center where guests enjoy a variety of activities in a wholesome atmosphere. Jackson Stables, Inc. operates as a concession to the YMCA of the Rockies. The Estes Park Center, located 2 miles outside the town of Estes Park, CO, adjoins Rocky Mountain National Park. The Estes Park Center provides lodging for over 4,500 guests on over 850 acres. Activities at this facility include horseback riding, hiking, mountain biking, miniature golf, tennis, fishing, swimming, and much more. As a wrangler with Jackson Stables, Inc. you will be providing memorable horseback riding experiences in a majestic setting.

JOB RESPONSIBILITIES Approximately 100 head of horses are used daily for guided rides. All rides are on trails within Rocky Mountain National Park and on the YMCA of the Rockies property. The livery provides many different trails, ranging in length from one to eight hours. As a wrangler, your most important responsibility will be that of guiding our guests on these trails. You will be expected to provide a safe and enjoyable horseback riding experience for each person on your ride in all kinds of weather. The job of wrangler/trail guide demands full knowledge of trails, horses, safety and emergency procedures, and a genuine ability to get along with guests and co-workers.

In addition to guiding rides, you will be expected to participate in all of the duties required to keep the livery operating efficiently which also includes assisting with improvements to the facility. An example of some of these tasks include: maintaining stalls and barns, general upkeep up the facility, grooming and feeding horses, mounting and dismounting riders, and breakfast rides. A few examples of the physical requirements of the job are: lifting 65 pounds (equivalent to a hay bale) up to 4 feet, running to get horses throughout the day, mounting and dismounting guests and/or yourself on a 15+ hand tall horse with no assistance, raking, and shoveling manure. There is a lot to be done each day. Our workday on average begins as early as 6:30am and usually ends around 6:00pm.

We also offer hayrides in the evening for our guests. Each wagon is staffed by a driver and one wrangler. This job duty consists of an additional two and half hours of work per hayride. The hayride schedule will be posted and set up on a rotation basis. Examples of hayride responsibilities include: knowing when you are scheduled, arriving on time, preparing the crate and supplies, and assisting the driver with the draft teams. The average number of hayrides each wrangler takes is one per week.
